NEWS FROM THE INSTITUTE FOR MARINE AND ANTARCTIC STUDIES

DATE: MONDAY 15 JULY 2013

ATTENTION: Chiefs of Staff, News Directors

Marine and Antarctic research covered in depth at IMAS showcase

The University of Tasmania's Institute for Marine and Antarctic Studies (IMAS) will hold its inaugural Research Showcase this week.

Intended to demonstrate the depth and breadth of the Institute's current research portfolio spanning temperate and polar waters, as well as Antarctica, more than 35 short talks will be delivered over the two-day event.

The

On Tuesday night, IMAS scientists and the Royal Society of Tasmania will present a free public lecture on *Food from the sea: the changing marine environment*, starting at 7.30pm in the Stanley Burbury Lecture Theatre, Sandy Bay UTAS campus.
